

Alcolizer

HH3 alcohol tester

INDUSTRIAL GRADE HANDHELD ALCOHOL TESTER

- ✓ Rugged and proven to perform
- ✓ Multi-function testing
- ✓ USB data download
- ✓ Simple, easy to use menu screens
- ✓ Outstanding value, entry level instrument

Developed for small to medium-sized enterprises, the Alcolizer HH3 is outstanding value and ideal for companies starting workplace alcohol testing.

PROVEN PERFORMANCE, HIGH GRADE

The Alcolizer HH3 has a highly responsive platinum electrochemical fuel cell that delivers capable, fast and accurate results in both commercial and industrial applications.

MULTI-FUNCTION TESTING

Performs both Standard Mouthpiece and Passive tests to suit any workplace and Drug and Alcohol testing program.

DURABLE AND CAPABLE

Developed for heavy duty conditions, the Alcolizer HH3 has a robust, shock resistant casing delivering durability and reliability in commercial, industrial and remote environments.

EASY USB DATA DOWNLOAD

Utilise AlcoCONNECT™ Toolbox software for easy test data download and analysis from your HH3 Alcohol Tester.

Filter test data to your requirements then easily export in CSV format to assist your workplace compliance.

SERVICE AND SUPPORT

Each HH3 Alcohol Tester is backed by a 36 month warranty and is supported by the AlcoCARE™ program. Our global network of service providers and factory trained technicians provides rapid return calibration and expert customer support.

CALIBRATION

HH3 requires calibration every twelve months as per Australian Standards Certification requirement.

HH3 will display a warning message after switch on if 28 days or less remain before calibration is required.

Alcolizer Technology will also contact you with a friendly reminder to send your HH3 into your nearest Alcolizer Certified Calibration & Servicing Centre for prompt calibration.

STANDARD FEATURES

- Multi-function capability for both Standard Mouthpiece and Passive testing
